3.3 Scriptural Abbreviations

[For other abbreviations, see under Technical Conventions. The Epilegomena is available online.]

There are two sets of abbreviations of the names of Pali texts: the, now standard, Critical Pali Dictionary system, and the obsolescent Pali Text Society Dictionary system. These are given in brackets, below, with the CPD abbreviation first when the two differ. My preferred abbreviation is given first. The following are the abbreviations of the Pali texts. The Commentaries (not listed here) are denoted by the capital letter "A" suffixed to the text (eg AA = Commentary to the Aṅguttara Nikāya) and generally referred to as volume:page or as *page*. The reference within (eg B4) refer to the sections in the main table that follows.

-A [suffix]	Aṭṭhakathā	Commentary, eg DA = Dīgha Commentary
