How to use this List

- (1) Look for the “Code” or the “Title” you want (in the soft version, you can do a search for it). Then locate the reflection under “Book ref.” (All these books are available searchable **PDFs** in dharmafarer.org.)
- (2) If you have **the book/s** listed above, look below for the “Title” you need, and then look under “Book ref” in the relevant book.
- (3) For any title, it is best to look it up in the Dharmafarer **website** (dharmafarer.org) using the “Code” under “Weekly Reflections.” These versions are more likely to be more up to date.
- (4) For titles without “Book ref,” look them up at dharmafarer.org.
